

Hi my Sweetheart Angel

You gave me everything I need in my Life.
How could this be?
How could you felt so lonely and
I feel so embraced and blessed?

My Sweetheart Angel
You still show me Beauty and Despair
You still teach me to look behind the Things
Now I can feel you and
Look behind the Curtain of Neglect.

My Sweetheart Angel
All your Life you lived the Life of Unconditional-LOVE
Could that really be...
That you missed, to be loved?

My Sweetheart Angel
You are the Man, the Being
Who touched the Sky with every Move and
Every Word you sang
Every single Word that dropped from your Lips
Every delicate Agitation of your giving Hands
Like a Flow in the Abyss of Existence

My Sweetheart Angel
You are still the Messenger of boundless Joy
Of total Bliss in a World full of Trials
Your Smile is
The Light in the Darkness of Unconsciousness

My Sweetheart Angel
Every warm Glance from your Eyes
Is like a Elixir of LOVE
A Tip from God.

My Sweetheart Angel
Can you see what you've done to me?
What you've done to the World?
You really healed the World
And it continues!
You did it very well!

My Sweetheart Angel
I promise you to go on
To keep the Faith
May every single Heartbeat remember me
Of what you've done.
Every single Heartbeat I dedicate to LOVE
I dedicate to you, my Sweetheart Angel

Be embraced Michael
There, in the Sea of endless LOVE
